

A Bain Capital Insurance Partner  BainCapital

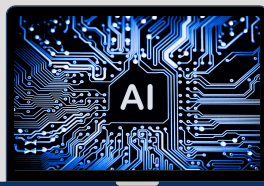

Your trusted partner when Catastrophe strikes

When a hurricane or other large-scale disaster hits, RYZE's Catastrophe Strike Team will quickly and empathetically help make your policyholders whole. At RYZE, people matter.

Predict. Deploy. Resolve. RYZE CAT Command in Action

- More than **60,000** Catastrophe claims handled since 2019.
- Unsurpassed claims quality, unrivaled empathy.
- RYZE's Strike Team can immediately respond to a Catastrophe anywhere in the lower 48 states.
- RYZE's computer technology models how hurricanes and other major weather events will potentially impact our clients in advance. That gives us a jump in getting enough adjusters into the field and scaling up our desk resources.

Powered by: RYZEQAi

RYZE has developed RYZEQAi, a game-changing AI tool that reviews all critical claims documents and ensures estimates comply with your estimating guidelines and jurisdictional requirements.

RYZE's adjusters consistently beat the industry average.

Average Customer Contact Time
