RYZE's end-to-end Third-Party

Administration services reduce costs and

increase efficiency, all while ensuring a

positive experience for your policyholders.

## RYZE TPA: Your Claims, Our Priority

- Our dedicated TPA team includes desk adjusters with an average of more than 10 years of experience.
- Claims handled from first notice of loss through payment.
- Our TPA services are specifically customized to fit your specific needs.
- RYZE can also act as an outsourced claims overflow provider during catastrophes.

## Powered by: RYZEQAi

RYZE has developed RYZEQAi, a gamechanging AI tool that reviews all critical claims documents and ensures estimates comply with your estimating guidelines and jurisdictional requirements. RYZE's adjusters consistently beat the industry average.
